

SLfT Review of Alternative Weighing Method

If you hold a notification for an alternative weighing method agreed by Revenue Scotland, and intend for this agreement to continue, please ensure you have:

Registered as a taxpayer for Scottish Landfill Tax

Organisation Name:
Name of Landfill Site:
SLfT Registration Number:

Indicated the supporting documents in your existing agreement are correct and complete:

	Evidence of exceptional circumstances that make it impossible or impractical to use the available weighbridge on your site, or one within close proximity; OR Evidence that your weighbridge or another nearby weighbridge has broken down, and you would incur unreasonable costs by using any other weighbridge is correct and complete.
	Confirm the programme of repair for your weighbridge, or the nearby weighbridge, including timescale of completion, is correct.
	Provide confirmation that the details of the alternative weighing method to be used, and the evidence that the method will produce a fair and reasonable calculation of weight, are still correct and complete.
	Any SEPA environmental team correspondence regarding the alternative weighing method.
	Please confirm why you have not provided any of the supporting documents listed above:

Signed and ticked the declaration below:

	I declare that the information and details in this notification and the supporting documentation is to, the best of my knowledge, correct and complete.
	In the event any of the information in this notification ceases to be correct or complete, I will notify Revenue Scotland immediately about all changes or alterations.
